**STABILITY CERTIFICATE VASAVI PUBLIC SCHOOL,
BUILDING 3-6-215, STREET NO. 15,
HIMAYATHNAGAR, HYDERABAD.**

The building consists of three units. The front unit consists of Ground Floor + First Floor + Second Floor with AC Sheet roofing. The Second unit is of Ground + Three Floors and one light roofed shed on the terrace. The Third unit consists of Ground + Two Floors with one shed of AC sheets on the Terrace. The First unit on the front is of load bearing walls. The Second and Third units are R.C.C framed buildings. On inspection, it is found that all the components of the building complex like Walls, Columns, Beams, Slabs and Stair Cases are structurally in good shape. The foundations are safe and no defects are found. On the whole, the entire school complex is found to be in good condition.

It is certified that the Vasavi Public School building complex is structurally stable and safe for a further period of 5 years.
